Payment system for dossier management for higher education applications

In December 2017 and April 2018, the Board of Governors approved a payment system for "Dossier Management" for higher education applications from September 2020 (Doc. 2020-06-M-3-en).

A fee must be paid for the processing of applications to those higher education institutions that require individual applicants to submit detailed files needing accurate and time-consuming dossier management, which in some cases is through application platforms.

This is a one-off non refundable payment.

Fees

€130 for the processing of applications to these higher education institutions that require individual applicants to submit special application files (a "dossier", for example, The Netherlands, UK Art foundation courses...)

€260 for applications to France (PARCOURSUP)

€260 for applications to the UK (UCAS).

<u>Note</u>: The UCAS payment of €260 does NOT include the administration fee to be paid directly to UCAS.

<u>Important</u>

The payment must be made for EACH application. If the candidate wants to apply to the UK and France, the payment would be, for example, €260 + €260 i.e. €520.

Payment may also be required for applications to institutions in other countries that need a dossier.

Parents / Students are requested to check in advance if a dossier or extended dossier is needed. In case of doubt please contact your Career Guidance teacher.

The relevant fee must be paid before the 27/09/2024.
